Not exactly
I've even deduced the reason for your visit.
You came here to check on the search for the "Jewel of Wisdom", didn't you?
Your last fight was pretty close, wasn't it?
That obstacle was within range of my predictions.
Besides I originally needed to experiment with prana absorption anyway.
What'll you do after th-?
You're Bell Zephyr the Great Demon King from the underworld...
"Why are you here!?"

**Summary**

As a high school student, Ryuunosuke's daily life is hectic. However, he's actually a "wizard" who protects the world from extraordinary crises. This causes him some serious problems that seem to attract all kinds of danger, such as his unique constitution causing him to transform into a girl whenever his chest throbs. Ryuunosuke, the magician Mayuri Vanstein and the cat person Ageha form a party to search Kimei Academy together. Their goal is the "Jewel of Wisdom" hidden within the school. It seems the gem has the ability to "answer any question" when used. Their search causes the masked student council president, Tokokuro Misayo, to appear before them, but, he has the atmosphere of someone who's not an ordinary person.

**Fujiwara Ryuunosuke**

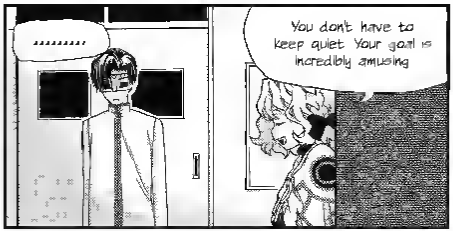
A wizard attending high school at Kimei Academy. His class is dragon user. Due to his constitution, he changes into a girl when his heart throbs.

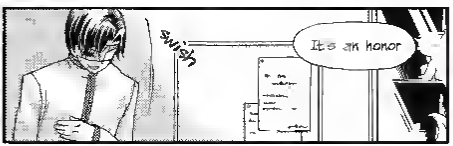
**Mayuri Vanstein**

A wizard attending Kimei Academy as an exchange student. Her class is mage. She is searching for the seven jewels per a certain woman's orders.

**Ayaha**

Another wizard who came to Kimei Academy in search of the Jewel. Her class is cat-person (werewolf). She is the cool military type.





It's been more difficult than before since those guys insist on being an obstacle to the search for the "seven mysteries".
They'll refuse to give up but I've deduced what it'll take to make them give in.
Sounds rough
You call them an "obstacle", however, that's just prattle
I wonder what exactly were you able to deduce?
Naturally.
If everything happens as I've deduced it will, then I will certainly have an amusing story.
Grin
Good answer.
Giggle
Giggle
Giggle

**Kashii Tamami**

Ryuunosuke's childhood friend and classmate. She's a member of the newspaper club who's brimming with curiosity. The school's seven mysteries have caught her attention.

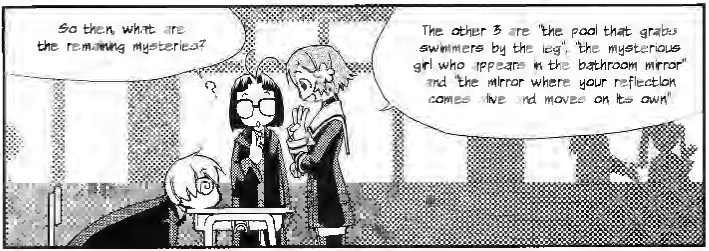
**Takakura Misaya**

Kimei Academy's student council president. He is a mysterious schoolboy who's always concealed by his mask. He commands powerful magic.

**Bell Zephyr**

She has the outward appearance of a young girl however she's actually among the Emulators as the exceptionally powerful 'Demon King'. She likes to surround herself with conspiracies.

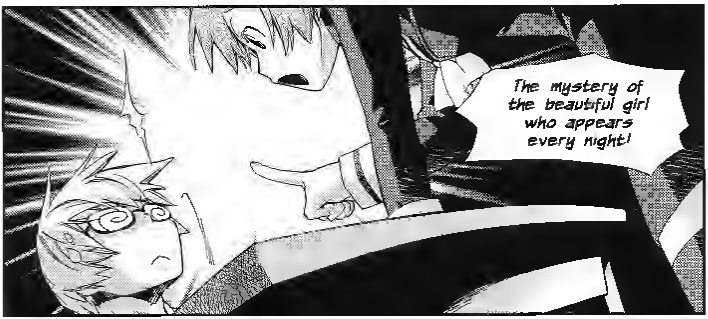
From the "Mystery of the School Building Explosion" to the "Mystery of the Infectious Disease that Closes Classes"...
This place is buzzing with more and more activity!
It's too soon to say that classes have been closed. Just wait and see for a while.
How can you say that at a time like this!? I've always dreamed of writing important articles like these!
How arbitrary!
ROAR
Then again, there's always the anatomical model that moves on its own, the piano that plays itself and the infinite staircase that somehow leads nowhere
Uuuuuuuuuu...
CLENCH!



So then, what are the remaining mysteries?
The other 3 are "the pool that grabs swimmers by the leg", "the mysterious girl who appears in the bathroom mirror" and "the mirror where your reflection comes alive and moves on its own"

It's the seven mysteries but isn't that only 6!?
It's said that the 7th will reveal itself after you've solved the mystery of all the others!

Still, it seems we now have an even greater mystery than the seven mysteries
HMMM
Oh, and what's that?
BAM!



The mystery of the beautiful girl who appears every night!

Have you heard any interesting rumors? Do you know anything?
STAA
IRE
We're screwed if we don't deal with this quickly!
Sorry, we don't know anything!
So...
Why am I the only one who has to swim off-season!? And at night too!
HOOOWL
I am NOT going in there!
hmph
Well of course you can't swim like that
I'm unable to stay afloat without a swim ring
tehe
You guys are totally bailing on me...

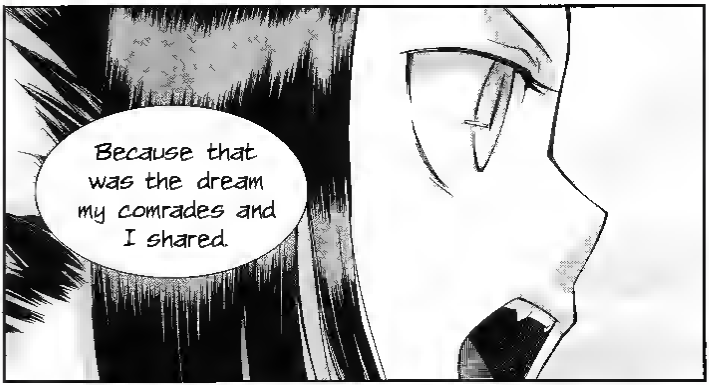
By the way, Ryuunosuke-san, where'd you get that swimsuit?
I'm not exactly sure how but when I transform Lunar Robe changes my clothes as well
SOLD!
And here I'd thought you had to change your uniform yourself every time you unexpectedly transformed.
Even if you hate transforming, surely the change of clothes is nice... Do you have that sort of hobby?
Well, naturally I can't just keep wearing single clothes
The transformations lead to many misunderstandings but I hate my constitution for other reasons
Huh? Like, what?
If I'm not careful about my heart throbbing, I'll transform.
I can't be honest about anything. Nonetheless, even though it's wrong, I have to constantly lie.
HEY Ryuunosuke, Iwaan!
SLAM
Teacher, that guy's frozen in place!
Let's go there!
Everyone, you've been very good. Don't you want to take a break?
I haven't said anything until now but I actually have a broken leg.
Sorry, my fortune said I'd be unlucky today so.
Would you want to have to always lie? Wouldn't you hate that?

aka KRAKA-THOOM!
So because of that you're trying to improve your constitution so you can confess to Tamami-san, right?
!!!!!!!!!?
Wha-?
Whe-!?
What are you saying
Is that what it looks like... to everyone...!?
あわわわっ
aka AWAH WAH WAH!
Mayuri, you shouldn't joke about such serious things
Why would you take things in the sort of direction!?
psssss
Oh, is that so? Sorry about that.
That aside, what about the "Jewel of W**dom"?
Do you think the "Jewel of Wisdom" will appear if we're able to clear all of the seven mysteries?
Oh, oh... I don't know whether or not the "Jewel of Wisdom" will appear but...
First of all, if we continue solving the mysteries of the school, in the worst case scenario, do we even know that the 7th mystery will appear?
I see.

That reminds me... we've never heard the reason you're trying to get the Jewel of Wisdom... have we, Ageha-san?
It's a trivial thing
hmph
If it's so trivial, why are you desperate to get the jewel?
.....
I'm going to obtain the "Jewel of Wisdom"...
For world peace!
Huh?
Mayur should know what I mean. About the magic war that is being waged in this world behind the scenes...
step

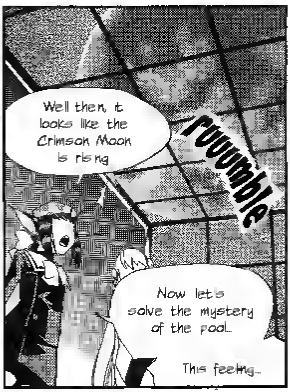
bwoosh
Biological weapons created by having their bodies modified to increase their affinity for magic.
That's what my comrades and I became.
We were originally used as tools by our country
Then we were sent to the front lines to face off against the Emulators
I was the only one who survived
Agehaha...n.
I believe...
That people are kind on the inside

Nobody gave birth to us, war did
When we lost everything, it was war that took it away
That's why I'm searching for the jewel
If there's even the slightest chance I can learn of a way to end that war, I have to try...



Because that was the dream my comrades and I shared.

I'm sure you guys want to join forces now
You've given up your superficial desires and resolved yourselves to work with me to get the jewel
SPARKLE
When she changed she changed immediately
It's a declaration of war



Well then, it looks like the Crimson Moon is rising
rrrumble
Now let's solve the mystery of the pool...
This feeling...

It's the presence of a person!
You cant influence how t priortizes lives
Doesn't Lunar Casket leave behnd ordnary people?
It should give priorty to ordnary people...
For this to happen now.
Huh? What's...
WOOSH
.....
Ta-Tamami!?

Why is Tamami here!?

Has Ryuuna-suke's secret been completely exposed!?
